Midcoast Youth Theater has a dream and WE NEED YOU!!

Please join Midcoast Youth Theater at an informational meeting on purchasing our own building. We are out of space and due to the size of our programs, and all of our costumes, props, equipment, and sets, we need a home. We need everyone's support.

Come and hear the plans.

Come and be a part of the process.

Come and see where you can help.

**Thursday September 13, 6:00PM,
Quantum Racing Bldg., Paul Street, Brunswick (behind Brunswick Ford)**

We have one local business man committed to giving us \$100,000. And we have several board members committed to giving us approximately \$10,000 collectively. We need your support, (both money and time) to make this dream come true!!
